TESTIMONIALS & HOW TO FIND US

As the UK's largest Supplier of Personalised Gifts, we regularly need to host clients and arrange important meetings. The Dower House is our preferred venue for so many excellent reasons. The Dower House staff are incredibly helpful. No matter how late our booking - or how unusual the request - they are always highly efficient, helpful and accommodating. The food and drinks are of the highest quality and offered at very reasonable prices. Having stayed at the Dower House I would unreservedly recommend the venue for personal or business use. It is one of the UK's hotel gems and I always look forward to going there.

INTERVINO LTD

The Dower House meeting rooms are perfect for all our conference needs, fully furnished with high service - used for all our board meetings. The rooms are relaxed but also confidential. Catering is provided with a wide range of refreshments with minimal fuss. Highly recommended for any type of conference or business meetings.

SMART TEACHERS

We have been making bookings with The Dower House Hotel for several years now and have always found them to be efficient, helpful and very accommodating in assisting us with our booking requirements. I would have no hesitation in highly recommending them.
